

NATURAL
NORDIC

Finnish forest purity

NATURAL NORDIC is a Finnish **brand** passionate about promoting nature's pure and healing ingredients.

The company, established in 2018, is run by its two owners. We promote safe food with pure Finnish flavors. Exporting since 2019, we ship globally to over 40 countries, for both B2B and B2C.

We desire to develop our products sustainably even further. Hence, we are constantly following the research on ingredients and packaging materials.

Specializing in natural health products, our global webstore is the main sales channel.

Our carefully selected **products** are:

- wild grown, hand picked, gently processed, and condensed into powders, packed with flavor and nutrient
- 100% natural, nothing added (Note: Berries contain naturally occurring sugars)
- suitable for various diets, such as vegan and gluten-free
- full of vital qualities in easy-to-use format

- Our unique selection is well researched and internationally recognized and awarded.
